

AUTOMATIC DOOR CO.

Div. of ZAC Enterprises, Inc.

Ashley Collection

The Ashley Collection is a semi- custom solid wood stain grade garage door. The door is made using traditional **Stile & Rail Construction** in a two layer design with true divided lites. The sections are constructed with clear Spanish Cedar stiles and rails and panels with a hardwood plywood interior. Panels can be either flat, raised, beaded or V groove.

Door Specs:

Stain grade	Frame material – Solid Spanish Cedar
